## ACADEMIC APPOINTMENTS

| | |
|---|---|
| 2016- | Joint Appointment in Psychological & Brain Sciences, Boston University (secondary) |
| 2015- | Assistant Professor, Occupational Therapy and Rehabilitation Sciences, Boston University (primary) |
| 2013-2015 | Assistant Professor, Psychiatry, University of California, San Francisco |

## EDUCATION

| | |
|---|---|
| 2011-2013 | NRSA Postdoctoral Fellow<br>National Institutes of Health (NIH T32MH018261)<br>University of California, San Francisco |
| 2011 | PhD in Clinical Psychology<br>University of Miami |
| 2010-2011 | Clinical Internship, Specialty Mental Health<br>San Diego VA Healthcare System<br>University of California, San Diego |
| 2003 | BA in Psychology<br>University of California, Los Angeles |

## AWARDS & HONORS

| | |
|---|---|
| 2017 | Selected Presenter, Faces of the Future, Society for Research in Psychopathology |
| 2013 | NIH Career Development Institute Meeting Award |
| 2011 | National Psychologist Trainee Register (NPTR) Credentialing Scholarship |
| 2010 | Kirk R. Danhour Award, Department of Psychology, University of Miami |
| 2009 | Fred C. and Helen Donn Flipse Dissertation Research Fellowship |
| 2006 | Graduate Activity Fee Allocation Committee (GAFAC) Thesis Award |
| 2003 | Cum Laude honors, University of California, Los Angeles |

## AFFILIATIONS

| | |
|---|---|
| 2017- | Training Faculty, Graduate Program in Neuroscience, Boston University |
| 2016- | Faculty Affiliate, Rafik B. Hariri Institute for Computing and Computational Science and Engineering, Boston University |
| 2016- | Faculty Affiliate, Mobile and Electronic Health Affinity Research Collaborative, Boston University |
| 2015- | Teaching Professional, Mental Health Counseling & Behavioral Medicine Program, Boston University |

## ASSOCIATIONS

| | |
|---|---|
| 2016- | Member, Society for the Science of Motivation (SSM) |
| 2014- | Member, Society for Research in Psychopathology (SRP) |
| 2012- | Member, International Early Psychosis Association (IEPA) |
| 2009- | Member, Bipolar Disorders Special Interest Group, Association for Behavioral and Cognitive Therapies (ABCT) |
| 2008- | Member, Association for Psychological Science (APS) |

## JOURNAL REVIEWS

Editorial board

| | |
|---|---|
| 2017-current | Editorial Board Member, Journal of Medical Internet Research (JMIR) – Mental Health (JMH) |

Ad-hoc invited reviews
(average 1 review per month)

*Assessment, Behavior Therapy, BMC Health Services Research, BMC Psychiatry, Comprehensive Psychiatry, Current Psychology, Disability & Rehabilitation, Frontiers in Psychology, Health and Quality of Life Outcomes, Journal of Abnormal Psychology, Journal of Affective Disorders, Journal of Clinical Psychology, Journal of Consulting and Clinical Psychology, Journal of Psychiatry and Neuroscience, Motivation & Emotion, Personality Disorders: Theory, Research, and Treatment, PLoS ONE, Psychiatric Services, Psychiatry Research, Schizophrenia Bulletin, Schizophrenia Research*

## PROFESSIONAL SERVICE

External

| | |
|---|---|
| 2017 | Ad hoc Grant Reviewer, SBIR, Small Business: Neuro/Psychopathology, Lifespan Development, and STEM Education Special Emphasis Panel (RPHB 12), National Institutes of Health (NIH) |

| | |
|---|---|
| 2017 | Ad hoc Grant Reviewer, Canterbury Medical Research Fund, Major Project |
| 2017 | Ad hoc Grant Reviewer, Dudley Allen Sargent Research Fund, Faculty and Postdoctoral Fellow Awards, Sargent College, Boston University |
| 2016 | Member, Smadar Levin Award Committee, Society for Research in Psychopathology |
| 2015 | Participant, Early Career Reviewer (ECR) Program, Center for Scientific Review, National Institutes of Health (NIH) |

Internal

| | |
|---|---|
| 2015- | Member, Graduate Education Committee, Sargent College, Boston University |
| 2013-14 | Member, Growth and Development Working Group, Palo Alto Medical Foundation Research Institute |
| 2013-14 | Coordinator, Translating Research to Policy Research Cluster, Palo Alto Medical Foundation Research Institute |
| 2009-10 | Faculty Representative, Department of Psychology, University of Miami |
| 2008-09 | Activities Chair, Department of Psychology, University of Miami |
| 2002-03 | Managing Editor, *UCLA Psychology Undergraduate Research Journal* |

## RESEARCH FUNDING

Active

2016-2018 *Enhancing Social Functioning in Schizophrenia through Scalable Mobile Technology*

- Role: Principal Investigator
- Mechanism: R21MH111501
- Source: National Institute of Mental Health (NIMH)
- Total Amount: $458,828

2016-2018 *Leveraging Smart Phone Sensing Technology to Identify Social Isolation in Mental Illness*

- Role: Principal Investigator
- Mechanism: Digital Health Initiative (DHI) Research Award (2017-02-002)
- Source: The Institute for Health System Innovation & Policy (IHSIP) and the Hariri Institute for Computing and Computational Science & Engineering
- Total Amount: $33,450

2016-2017 *Coping with Paranoia: Acceptability, Feasibility, and Preliminary Efficacy of an Online Transdiagnostic Approach for Clients with Serious Mental Illness*

- Role: Principal Investigator
- Mechanism: Dudley Allen Sargent Research Fund Faculty Grant

- Source: Sargent College of Health and Rehabilitation Sciences (BU)
- Total Amount: $7,000

Completed

2013-2015 *Patient-Centered Outcomes: Transforming Engaged Research* (5K12HS021700)
- Role: Scholar/Trainee
- Mechanism: K12 Career Development Award
- Source: Agency for Healthcare Research and Quality (AHRQ)
- Total Amount: $164,000

2012-2014 *Identification and Treatment of Severe Mental Illness* (L30MH098380)
- Role: Principal Investigator
- Mechanism: Clinical Research Loan Repayment Program (LRP)
- Source: National Institute of Mental Health (NIMH)
- Total Amount: $34,697

2013-2014 *Imaging Reliability for Psychosis Prediction* (NIH 2UL1RR024131-06)
- Role: Co-Investigator
- Mechanism: Multicenter Start-up Award
- Source: UCSF Clinical and Translational Sciences Institute (CTSI)
- Total Amount: $25,000

**PUBLICATIONS**

PubMed bibliography: https://www.ncbi.nlm.nih.gov/myncbi/browse/collection/48643841/

1. **Fulford, D.,** Piksulic, D., Addington, J., Kane, J. M., Schooler, N. R., & Mueser, K. T. (accepted). Prospective relationships between motivation and functioning in recovery after a first episode of schizophrenia. *Schizophrenia Bulletin*.

2. Cho, H., Gonzales, R., Lavaysse, L., Pence, S., **Fulford, D**., & Gard, D. (2017). Do people with schizophrenia experience more negative emotion and less positive emotion in their daily lives? A meta-analysis of experience sampling studies. *Schizophrenia Research, 183,* 49-55.

3. Woolley, J. D., Chuang, B., Fussell, C., Scherer, S., Biagianti, B., **Fulford, D.**, Mathalon, D.H., & Vinogradov, S. (2017). Intranasal oxytocin increases facial expressivity, but not ratings of trustworthiness, in patients with schizophrenia and healthy controls. *Psychological Medicine, 47*, 1311-1322.

4. **Fulford, D**., Tuot, D. S., & Mangurian, C. (2016). Electronic psychiatric consultation in primary care in the safety net. *Psychiatric Services, 67*, 1160-1161.

5. Woolley, J. D., Arcuni, P., Stauffer, C. S., **Fulford, D.**, Carson, D. S., Batki, S., & Vinogradov, S. (2016). The effects of intranasal oxytocin in opioid-dependent individuals and healthy control subjects: A pilot study. *Psychopharmacology, 233*, 2571-2580.

6. Schlosser, D. A., Campellone, T. R., Biagianti, B., Delucchi, K. L., Gard, D. E., **Fulford, D**., Stuart, B., Loewy, R. L., & Vinogradov, S. (2015). Modeling the role of negative symptoms in determining social functioning in individuals at clinical high risk of psychosis. *Schizophrenia Research, 169*, 204-208.

7. **Fulford, D.**, Eisner, L. R., & Johnson, S. L. (2015). Differentiating risk for mania and borderline personality disorder: The nature of goal regulation and impulsivity. *Psychiatry Research, 227*, 347-352.

8. **Fulford, D.**, Sinclair, S., John, O. P., & Johnson, S. L. (2014). Mania risk is associated with dominance behavior in an interpersonal negotiation task. *Journal of Experimental Psychopathology, 5*, 477-491.

9. **Fulford, D.**, Pearson, R., Stuart, B. K., Fisher, M., Mathalon, D. H., Vinogradov, S., & Loewy, R. L. (2014). Symptom assessment in early psychosis: The use of well-established rating scales in clinical high-risk and recent-onset populations. *Psychiatry Research, 220*, 1077-1083.

10. Schlosser, D. A., Fisher, M., Gard, D. E., **Fulford, D.**, Loewy, R. L., & Vinogradov, S. (2014). Motivational deficits prior to the onset of psychosis and across the course of schizophrenia. *Schizophrenia Research, 158*, 52-57.

11. **Fulford, D.**, Peckham, A., Johnson, K., & Johnson, S. L. (2014). Emotion perception and quality of life in bipolar I disorder. *Journal of Affective Disorders, 152*, 491-497.

12. **Fulford, D.**, Niendam, T. A., Floyd, E., Carter, C. S., Mathalon, D. H., Vinogradov, S., Stuart, B. K., & Loewy, R. L. (2013). Symptom dimensions and functional impairment in early psychosis: More to the story than just negative symptoms. *Schizophrenia Research, 147*, 125-131.

13. Granholm, E., Ben-Zeev, D., **Fulford, D.**, & Swendsen, J. (2013). Ecological Momentary Assessment of social functioning in schizophrenia: Impact of performance appraisals and affect on social interactions. *Schizophrenia Research, 145*, 120-124.

14. **Fulford, D.**, Feldman, G., Tabak, B. A., McGillicuddy, M., & Johnson, S. L. (2013). Positive affect enhances the association of hypomanic personality and cognitive flexibility. *International Journal of Cognitive Therapy, 6*, 1-15.

15. Johnson, S. L., **Fulford, D.**, & Carver, C. S. (2012). The double-edged sword of goal engagement: Consequences of goal pursuit in bipolar disorder. *Clinical Psychology and Psychotherapy, 19*, 352-362.

## TEACHING & MENTORING

*Graduate Advisees:*

Samuel Abplanalp, BA, PhD Program in Rehabilitation Sciences, Sargent College (primary)

Cristina Colon-Semenza, PhD Program in Rehabilitation Sciences, Sargent College (secondary)
Emma Weizenbaum, BA, PhD in Clinical Psychology, Psychological & Brain Sciences (secondary)
Rachel Friedman, BA, Masters in Mental Health Counseling and Behavioral Medicine (secondary)
Meghan Watson, BA, Masters in Mental Health Counseling and Behavioral Medicine (secondary)
Christine Marsico, BA, Masters in Mental Health Counseling and Behavioral Medicine (secondary)

*Undergraduate Advisees:*

Amy Chao
Cindy Do
Allison Nash
Jean-Marie Toher
Claire Ufongene
Sravya Vajram
Isabel Wolkoff

*Staff Advisees:*

Kara Dillaway, BA
Coleman Garner, BS

*Dissertation/Comprehensive Examination Committees:*

Cristina Colon-Semenza, PhD Program in Rehabilitation Sciences, Boston University
Chitra Khare, PhD Program in Rehabilitation Sciences, Boston University

*Mentored Grants/Awards*

Dudley Allen Sargent Research Fund, Graduate Student Grant, Awarded to Cristina Colon-Semanza, PhD student in Rehabilitation Sciences, Sargent College, Boston University

*Courses Taught*
(Overall Instructor Rating = 4.3/5.0)
