DANIEL FULFORD, PHD
Boston University
635 Commonwealth Avenue
Boston, MA 02215
dfulford@bu.edu

ACADEMIC APPOINTMENTS

2016-	Assistant Professor, Psychological & Brain Sciences, Boston University (joint programmatic appointment)
2015-	Assistant Professor, Occupational Therapy and Rehabilitation Sciences, Boston University (primary appointment)
2013-2015	Assistant Professor, Psychiatry, University of California, San Francisco

EDUCATION

2011-2013	NRSA Postdoctoral Fellow National Institutes of Health (NIH T32MH018261) Department of Psychiatry, University of California, San Francisco
2011	PhD in Clinical Psychology Department of Psychology, University of Miami
2010-2011	Clinical Internship, Specialty Mental Health San Diego VA Healthcare System Department of Psychiatry, University of California, San Diego
2003	BA in Psychology University of California, Los Angeles

AWARDS & HONORS

2017	Presenter, Faces of the Future, Society for Research in Psychopathology
2013	NIH Career Development Institute Meeting Award
2011	National Psychologist Trainee Register (NPTR) Credentialing Scholarship
2010	Kirk R. Danhour Award, Department of Psychology, University of Miami
2009	Fred C. and Helen Donn Flipse Dissertation Research Fellowship
2006	Graduate Activity Fee Allocation Committee (GAFAC) Thesis Award
2003	Cum Laude honors, University of California, Los Angeles

RESEARCH FUNDING

Active

2017-2019 *Enhancing Social Functioning in Schizophrenia through Scalable Mobile Technology*
- Role: Principal Investigator
- Mechanism: R21MH111501
- Source: National Institute of Mental Health (NIMH)
- Total Amount: $458,828

2017-2018 *Technology-Assisted Assessment and Treatment of Social Motivation and Functioning in Serious Mental Illness* (L30MH098380)
- Role: Principal Investigator
- Mechanism: Clinical Research Loan Repayment Program (LRP)
- Source: National Institute of Mental Health (NIMH)
- Total Amount: $23,385

2016-2018 *Leveraging Smart Phone Sensing Technology to Identify Social Isolation in Mental Illness*
- Role: Principal Investigator
- Mechanism: Digital Health Initiative (DHI) Research Award (2017-02-002)
- Source: The Institute for Health System Innovation & Policy (IHSIP) and the Hariri Institute for Computing and Computational Science & Engineering
- Total Amount: $33,450

2017-2018 *mHealth as a Pathway to Reach and Treat Smokers who are Unmotivated to Quit*
- Role: Consultant
- Mechanism: C1005/A17906
- Source: Cancer Research UK

2016-2018 *Coping with Paranoia: Acceptability, Feasibility, and Preliminary Efficacy of an Online Transdiagnostic Approach for Clients with Serious Mental Illness*
- Role: Principal Investigator
- Mechanism: Dudley Allen Sargent Research Fund Faculty Grant
- Source: Sargent College of Health and Rehabilitation Sciences (BU)
- Total Amount: $7,000

Pending

2018-2023 *Walking and mHealth to Increase Participation in Parkinson Disease (WHIP-PD)*
- Role: Co-Investigator
- Mechanism: R01HD092444
- Source: NIH/NICHD
- Total Amount: $682,961

2018-2020 *The UC Adaptive Cognitive Evaluation for Assessing Cognitive Change on Mobile Phones*
- Role: Co-Investigator (Site PI)
- Mechanism: U2C

- Source: NIH
- Total Amount (BU Site, Years 1-2): $207,098

Completed

2013-2015 *Patient-Centered Outcomes: Transforming Engaged Research* (5K12HS021700)
- Role: Scholar/Trainee
- Mechanism: K12 Career Development Award
- Source: Agency for Healthcare Research and Quality (AHRQ)
- Total Amount: $164,000

2012-2014 *Identification and Treatment of Severe Mental Illness* (L30MH098380)
- Role: Principal Investigator
- Mechanism: Clinical Research Loan Repayment Program (LRP)
- Source: National Institute of Mental Health (NIMH)
- Total Amount: $34,697

2013-2014 *Imaging Reliability for Psychosis Prediction* (NIH 2UL1RR024131-06)
- Role: Co-Investigator
- Mechanism: Multicenter Start-up Award
- Source: UCSF Clinical and Translational Sciences Institute (CTSI)
- Total Amount: $25,000
