

DANIEL FULFORD, PhD

Boston University
635 Commonwealth Avenue
Boston, MA 02215
dfulford@bu.edu

ACADEMIC APPOINTMENTS

- 2016- Assistant Professor, Psychological & Brain Sciences, Boston University (joint appointment)
- 2015- Assistant Professor, Occupational Therapy and Rehabilitation Sciences, Boston University (primary appointment)
- 2013-2015 Assistant Professor, Psychiatry, University of California, San Francisco

EDUCATION

- 2011-2013 NRSA Postdoctoral Fellow, National Institutes of Health (NIH T32MH018261), Department of Psychiatry, University of California, San Francisco
- 2011 PhD in Clinical Psychology, Department of Psychology, University of Miami
- 2010-2011 Clinical Internship, Specialty Mental Health, San Diego VA Healthcare System
Department of Psychiatry, University of California, San Diego
- 2003 BA in Psychology, University of California, Los Angeles (*cum laude*)

AWARDS & HONORS

- 2017 Face of the Future, Society for Research in Psychopathology
- 2017-2020 NIH Clinical Research Loan Repayment Program Award – Renewal
- 2013 NIH Career Development Institute Meeting Award
- 2012-2014 NIH Clinical Research Loan Repayment Program Award
- 2011 National Psychologist Trainee Register (NPTR) Credentialing Scholarship
- 2010 Kirk R. Danhour Award, Department of Psychology, University of Miami
- 2009 Fred C. and Helen Donn Flipse Research Fellowship, University of Miami
- 2006 Graduate Activity Fee Allocation Committee Thesis Award, University of Miami

ACADEMIC AFFILIATIONS

- 2018- Fellow, Institute for Health System Innovation & Policy, Boston University
- 2017- Training Faculty, Graduate Program in Neuroscience, Boston University
- 2016- Faculty Affiliate, Rafik B. Hariri Institute for Computing and Computational Science and Engineering, Boston University
- 2016- Faculty Affiliate, Mobile and Electronic Health Affinity Research Collaborative, Boston University
- 2015- Teaching Professional, Mental Health Counseling & Behavioral Medicine Program, Boston University

RESEARCH FUNDING

Active Grants

- 2018-2023 *Walking and mHealth to Increase Participation in Parkinson Disease (WHIP-PD)*
- Role: Co-Investigator (PIs: Terry Ellis and Gammon Earhart)
 - Mechanism and Source: R01 HD092444; NIH/NICHD/NCMRR
 - Total Amount: \$3,188,067 (Anticipated Direct Costs: \$1,932,162)
- 2019-2020 *Evaluation of an Online, Evidence-Based Intervention for Transdiagnostic Paranoia in a Community Setting: Cross-Disciplinary Training and Implementation*
- Role: Co-Principal Investigator (Co-PI: Jasmine Mote)
 - Mechanism and Source: Varda Shoham Clinical Science Training Initiative; Society for a Science of Clinical Psychology (SSCP)
 - Total Amount: \$1,500
- 2019-2020 *Nudging Smokers with Schizophrenia to Quit through Engagement in Daily Activities: Testing the Feasibility of a Smartphone-Based Behavioral Activation Intervention*
- Role: Co-Principal Investigator (Co-PI: Belinda Borrelli)
 - Mechanism and Source: Mobile-Electronic Health Affinity Research Collaborative; Pilot grant
 - Total Amount: \$23,672
- 2019-2020 *Assessment of Cognitive Variability in Parkinson Disease via Smartphone Technology*
- Role: Principal Investigator
 - Mechanism and Source: Summer Student Award Program; the Institute for Health System Innovation & Policy (IHSIP)
 - Total Amount: \$5,280
- 2018-2020 *Predicting Patterns in Real-time Cognitive Performance in Neurodegenerative Disease*
- Role: Co-Investigator (PIs: Alice Cronin-Golomb and Emma Weizenbaum)
 - Mechanism and Source: Digital Health Initiative (DHI) Research Award; the Institute for Health System Innovation & Policy (IHSIP) and the Hariri Institute for Computing and Computational Science & Engineering
 - Total Amount: \$24,550
- 2017-2019 *Enhancing Social Functioning in Schizophrenia through Scalable Mobile Technology*
- Role: Principal Investigator
 - Mechanism and Source: R21 MH111501; NIMH
 - Total Amount: \$458,867 (Anticipated Direct Costs: \$272,745)
- 2017-2019 *Leveraging Smart Phone Sensing Technology to Identify Social Isolation in Mental Illness*
- Role: Principal Investigator
 - Mechanism and Source: Digital Health Initiative (DHI) Research Award (2017-02-002); the Institute for Health System Innovation & Policy (IHSIP) and the Hariri Institute for Computing and Computational Science & Engineering
 - Total Amount: \$33,450

Completed Grants

- 2016-2018 *Coping with Paranoia: Acceptability, Feasibility, and Preliminary Efficacy of an Online Transdiagnostic Approach for Clients with Serious Mental Illness*
- Role: Principal Investigator
 - Mechanism and Source: Dudley Allen Sargent Research Fund Faculty Grant; Sargent College of Health and Rehabilitation Sciences (BU)
 - Total Amount: \$7,000
- 2013-2015 *Patient-Centered Outcomes: Transforming Engaged Research* (5K12HS021700)
- Role: Scholar/Trainee
 - Mechanism and Source: K12 Career Development Award; AHRQ
 - Total Amount: \$164,000
- 2013-2014 *Imaging Reliability for Psychosis Prediction* (NIH 2UL1RR024131-06)
- Role: Co-Investigator
 - Mechanism and Source: Multicenter Start-up Award; UCSF Clinical and Translational Sciences Institute (CTSI)
 - Total Amount: \$25,000

Grant Consultation

- 2019 *Enhancing Adherence to Cognitive Rehabilitation*
- Mechanism and Source: I01RX001790; NIH/Veterans Affairs
 - PI: Joanna Fiszdon
- 2017-2018 *mHealth as a Pathway to Reach and Treat Smokers who are Unmotivated to Quit*
- Mechanism and Source C1005/A17906; Cancer Research UK
 - PI: Belinda Borrelli

EDITORIAL POSITIONS

- 2018- current Editorial Board, *Journal of Abnormal Psychology*
2017-current Editorial Board, *Journal of Medical Internet Research (JMIR) – Mental Health (JMh)*

AD HOC GRANT REVIEWS

- 2017-2019 National Institutes of Health (NIH), SBIR/STTR Special Emphasis Panel
2018 National Science Foundation (NSF)
2018 National Science Centre, Poland
2017 Canterbury Medical Research Fund

PROFESSIONAL ASSOCIATION MEMBERSHIPS

- 2019- Society for Affective Science (SAS)
2019- Schizophrenia International Research Society (SIRS)
2016- Society for the Science of Motivation (SSM)
2014- Society for Research in Psychopathology (SRP)
2012- International Early Psychosis Association (IEPA)
2008- Association for Psychological Science (APS)

PEER-REVIEWED PUBLICATIONS

PubMed bibliography: <https://www.ncbi.nlm.nih.gov/myncbi/browse/collection/48643841/>

*Denotes mentee author

1. **Fulford, D.** & *Mote, J. (2019). Increasing access to evidence-based care in serious mental illness: Embracing mobile technology while minding the digital divide. *The Clinical Psychologist*, 72, 5-12.
2. Torous, J., Wisniewski, H., Bird, B., Carpenter, E., David, G., Elejalde, E., **Fulford, D.**, Guimond, S., Hays, R., Henson, P., Hoffman, L., Lim, C., Menon, M., Noel, V., Pearson, J., Peterson, R., Susheela, A., Troy, H., Vaidyam, A., *Weizenbaum, E., & Keshavan, M. (2019). Creating a digital health smartphone app and digital phenotyping platform for mental health and diverse healthcare needs: An interdisciplinary and collaborative approach. *Journal of Technology in Behavioral Science*. <https://doi.org/10.1007/s41347-019-00095-w>
3. Loewy, R. L., Corey, S., Amirfathi, F., Dabit, S., **Fulford, D.**, Pearson, R., Hua, J. P. Y., Schlosser, D., Stuart, B. K., Mathalon, D. H., & Vinogradov, S. (2019). Childhood trauma and clinical high risk for psychosis. *Schizophrenia Research*, 205, 10-14. Impact Factor: 3.99
4. *Curtiss, J., **Fulford, D.**, Hofmann, S. G., & Gershon, A. (2019). Network dynamics of positive and negative affect in bipolar disorder. *Journal of Affective Disorders*, 249, 270-277. Impact Factor: 3.79
5. Campellone, T. R., Sanchez, A. H., **Fulford, D.**, & Kring, A. M. (2019). Defeatist performance beliefs in college students: Associations with psychopathology risk and daily goal-directed behavior. *Psychiatry Research*, 272, 149-154. Impact Factor: 2.53
6. *Abplanalp, S. & **Fulford, D.** (2019). Trait-based risk for psychotic and mood disorders is associated with increases in pain following vigorous physical activity. *Psychiatry Research*, 271, 46-51. Impact Factor: 2.53
7. Orsmond, G. I. & **Fulford, D.** (2018). Adult siblings who have a brother or sister with autism: Between-family and within-family variations in sibling relationships. *Journal of Autism and Developmental Disorders*, 48, 4090-4102. Impact Factor: 3.32
8. **Fulford, D.**, Campellone, T. R., & Gard, D. E. (2018). Social motivation in schizophrenia: How research on basic reward processes informs and limits our understanding. *Clinical Psychology Review*, 63, 12-24. Impact Factor: 9.58
9. **Fulford, D.**, Treadway, M. T., & Woolley, J. (2018). Social motivation in schizophrenia: The impact of oxytocin on vigor in the context of social and non-social reinforcement. *Journal of Abnormal Psychology*, 127, 116-128. Impact Factor: 4.64
10. **Fulford, D.**, Piskulic, D., Addington, J., Kane, J. M., Schooler, N. R., & Mueser, K. T. (2018). Prospective relationships between motivation and functioning in recovery after a first episode of schizophrenia. *Schizophrenia Bulletin*, 44, 369-377. Impact Factor: 7.58

11. Cho, H., Gonzales, R., Lavaysse, L., Pence, S., **Fulford, D.**, & Gard, D. (2017). Do people with schizophrenia experience more negative emotion and less positive emotion in their daily lives? A meta-analysis of experience sampling studies. *Schizophrenia Research*, *183*, 49-55. Impact Factor: 3.99
12. Woolley, J. D., Chuang, B., Fussell, C., Scherer, S., Biagiante, B., **Fulford, D.**, Mathalon, D.H., & Vinogradov, S. (2017). Intranasal oxytocin increases facial expressivity, but not ratings of trustworthiness, in patients with schizophrenia and healthy controls. *Psychological Medicine*, *47*, 1311-1322. Impact Factor: 5.23
13. **Fulford, D.**, Tuot, D. S., & Mangurian, C. (2016). Electronic psychiatric consultation in primary care in the safety net. *Psychiatric Services*, *67*, 1160-1161. Impact Factor: 2.89
14. Woolley, J. D., Arcuni, P., Stauffer, C. S., **Fulford, D.**, Carson, D. S., Batki, S., & Vinogradov, S. (2016). The effects of intranasal oxytocin in opioid-dependent individuals and healthy control subjects: A pilot study. *Psychopharmacology*, *233*, 2571-2580. Impact Factor: 3.31
15. Schlosser, D. A., Campellone, T. R., Biagiante, B., Delucchi, K. L., Gard, D. E., **Fulford, D.**, Stuart, B., Loewy, R. L., & Vinogradov, S. (2015). Modeling the role of negative symptoms in determining social functioning in individuals at clinical high risk of psychosis. *Schizophrenia Research*, *169*, 204-208. Impact Factor: 3.99
16. **Fulford, D.**, Eisner, L. R., & Johnson, S. L. (2015). Differentiating risk for mania and borderline personality disorder: The nature of goal regulation and impulsivity. *Psychiatry Research*, *227*, 347-352. Impact Factor: 2.53
17. **Fulford, D.**, Sinclair, S., John, O. P., & Johnson, S. L. (2014). Mania risk is associated with dominance behavior in an interpersonal negotiation task. *Journal of Experimental Psychopathology*, *5*, 477-491. Impact Factor: 0.52
18. **Fulford, D.**, Pearson, R., Stuart, B. K., Fisher, M., Mathalon, D. H., Vinogradov, S., & Loewy, R. L. (2014). Symptom assessment in early psychosis: The use of well-established rating scales in clinical high-risk and recent-onset populations. *Psychiatry Research*, *220*, 1077-1083. Impact Factor: 2.53
19. Schlosser, D. A., Fisher, M., Gard, D. E., **Fulford, D.**, Loewy, R. L., & Vinogradov, S. (2014). Motivational deficits prior to the onset of psychosis and across the course of schizophrenia. *Schizophrenia Research*, *158*, 52-57. Impact Factor: 3.99
20. **Fulford, D.**, Peckham, A., Johnson, K., & Johnson, S. L. (2014). Emotion perception and quality of life in bipolar I disorder. *Journal of Affective Disorders*, *152*, 491-497. Impact Factor: 3.43
21. **Fulford, D.**, Niendam, T. A., Floyd, E., Carter, C. S., Mathalon, D. H., Vinogradov, S., Stuart, B. K., & Loewy, R. L. (2013). Symptom dimensions and functional impairment in early psychosis: More to the story than just negative symptoms. *Schizophrenia Research*, *147*, 125-131. Impact Factor: 3.99

22. Granholm, E., Ben-Zeev, D., **Fulford, D.**, & Swendsen, J. (2013). Ecological Momentary Assessment of social functioning in schizophrenia: Impact of performance appraisals and affect on social interactions. *Schizophrenia Research*, *145*, 120-124. Impact Factor: 3.99
23. **Fulford, D.**, Feldman, G., Tabak, B. A., McGillicuddy, M., & Johnson, S. L. (2013). Positive affect enhances the association of hypomanic personality and cognitive flexibility. *International Journal of Cognitive Therapy*, *6*, 1-15. Impact Factor: 1.38
24. Johnson, S. L., **Fulford, D.**, & Carver, C. S. (2012). The double-edged sword of goal engagement: Consequences of goal pursuit in bipolar disorder. *Clinical Psychology and Psychotherapy*, *19*, 352-362. Impact Factor: 1.93
25. **Fulford, D.**, *Rosen, R. K., Johnson, S. L., & Carver, C. S. (2012). Negative generalization and symptoms of anxiety disorders. *Journal of Experimental Psychopathology*, *3*, 62-68. Impact Factor: 0.52
26. **Fulford, D.**, Johnson, S. L., Llabre, M. M., & Carver, C. S. (2010). Pushing and coasting in dynamic goal pursuit: Coasting is attenuated in bipolar disorder. *Psychological Science*, *21*, 1021-1027. Impact Factor: 5.67
27. **Fulford, D.**, Tuchman, N., & Johnson, S. L. (2009). The Cognition Checklist for Mania – Revised (CCLM-R): Factor-analytic structure and links with risk for mania, diagnoses of mania, and current symptoms. *International Journal of Cognitive Therapy*, *2*, 313-324. Impact Factor: 1.38
28. Johnson, S. L., & **Fulford, D.** (2009). Preventing mania: A preliminary examination of the GOALS program. *Behavior Therapy*, *40*, 103-113. Impact Factor: 3.43
29. **Fulford, D.**, Johnson, S. L., & Carver, C. S. (2008). Commonalities and differences in characteristics of persons at risk for narcissism and mania. *Journal of Research in Personality*, *42*, 1427-1438. Impact Factor: 2.42
30. Johnson, S. L., & **Fulford, D.** (2008). Empirically-supported treatments of bipolar disorder. Society of Clinical Psychology, American Psychological Association, Division 12. <http://www.div12.org/psychological-treatments/disorders/bipolar-disorder/>
31. Johnson, S. L., & **Fulford, D.** (2008). Development of the Treatment Attitudes Questionnaire in bipolar disorder. *Journal of Clinical Psychology*, *64*, 466-481. Impact Factor: 2.12

BOOKS

1. Mueser, K. T., Bellack, A. S., Gingerich, S., Agresta, J., & **Fulford, D.** *Social Skills Training for Schizophrenia* (3rd ed.). In preparation.

BOOK CHAPTERS AND OTHER PUBLICATIONS

1. **Fulford, D.**, Woolley, J., & Vinogradov, S. (2017). Prefrontal cortical dysfunction in schizophrenia: Clinical implications and novel treatment development. In Miller B, ed., *The Human Frontal Lobes* (3rd ed.).

2. **Fulford, D.**, & Johnson, S. L. (2010). Psychopathology. In Weiner IB, Craighead WB, eds. Corsini's encyclopedia of psychology (4th ed., pp. 1358-1360). New York: John Wiley & Sons.
3. Johnson, S. L., **Fulford, D.**, & Eisner, L. (2009). Psychosocial mechanisms in bipolar disorder. In Salzinger K, Serper MR, eds. Behavioral Mechanisms and Psychopathology: Advancing the Explanation of Its Nature, Cause, and Treatment (1st ed., pp. 77-106). Washington, DC: American Psychological Press.
4. Carver, C. S., Scheier, M. F., Miller, C. J., & **Fulford, D.** (2009). Optimism. In Snyder CR, Lopez SJ, eds. Oxford handbook of positive psychology (2nd ed., pp. 303-312). New York: Oxford University Press.
5. **Fulford, D.**, & Johnson, S. L. (2009). Bipolar Disorders. In Ingram RE, ed. The international encyclopedia of depression (1st ed., pp. 77-79). New York: Springer Publishing Company.
6. Johnson, S. L., Carver, C. S., & **Fulford, D.** (2009). Goal dysregulation in the affective disorders. In Kring A, Sloan D, eds., Emotion regulation and psychopathology: A transdiagnostic approach to etiology and treatment (1st ed., pp. 204-228). New York: The Guilford Press.
7. Carver, C. S., Scheier, M. F., & **Fulford, D.** (2008). Self-regulatory processes, stress, and coping. In John OP, Robbins RW, Pervin LA, eds., Handbook of personality: Theory and research (3rd ed., pp. 725-742). New York: The Guilford Press.

MANUSCRIPTS SUBMITTED FOR PUBLICATION AND IN PREPARATION

1. *Weizenbaum, E., Torous, J., & **Fulford, D.** (2019). Mobile Assessment of cognitive variability 'in the wild': Clinical and empirical implications. Under review.
2. *Mote, J., & **Fulford, D.** (2019). Real-world social engagement in schizophrenia: A systematic review of experience sampling studies. Under review.
3. Alvi, T., Kouros, C., Lee, J., **Fulford, D.**, & Tabak, B. A. (2019). Social anxiety is negatively associated with empathic accuracy. Under review.
4. *Abplanalp, S. J., Mueser, K. T., & **Fulford, D.** (2019). The role of physical pain in global functioning of people with serious mental illness. Under review.
5. *Mote, J., Gard, D. E., Gonzalez, R., & **Fulford, D.** (2019). How did that interaction make you feel? The relationship between quality of everyday social experiences and emotion in people with and without schizophrenia. Under review.
6. **Fulford, D.**, *Mote, J., *Abplanalp, S., Gonzalez, R., & Gard, D. E. (2019). Smartphone-based sensing of social interactions in people with and without schizophrenia: Implications for social isolation and loneliness. In preparation.
7. Borrelli, B., Bartlett, K., **Fulford, D.**, Armitage, C. J., & Wearden, A. (2019). Behavioral activation app to motivate smokers to quit. In preparation.

8. **Fulford, D.**, Meyer-Kalos, P., & Mueser, K. T. (2019). The impact of goal setting on motivation in early psychosis. In preparation.
9. *Abplanalp, S. J., *Uhlman, A., *Mote, J., Alvi, T., Tabak, B. A., & **Fulford, D.** (2019). Measuring social motivation: Development of the Social Effort/Approach Scales (SE/AS). In preparation.
10. **Fulford, D.**, *Mote, J., *Gill, K., Mueser, K. T., & Gard, D. E. (2019). Development of the Motivation and Skills Support (MASS) smartphone-based social goal application for (and with) people with schizophrenia. In preparation.
11. Loewy, R., Corey, S., Dabit, S., **Fulford, D.**, Pearson, R., Hua, J., Schlosser, D., Stuart, B., Wolkowitz, O., Epel, E., Mathalon, D., & Vinogradov, S. (2018). Diurnal salivary cortisol rhythms in individuals at clinical high risk for schizophrenia and healthy controls. In preparation.

PROFESSIONAL TALKS

Invited Talks

1. **Fulford, D.** (2019, April). Enhancing social functioning in schizophrenia: Development and usability testing of the Motivation and Skills Support (MASS) app. Digital Health Core Seminar, Department of Psychiatry, UCSF, San Francisco, CA
2. **Fulford, D.** (2019, April). Leveraging smartphone sensing to identify social isolation. Hariri Institute for Computing and Computational Sciences and Engineering, Digital Health Initiative Roundtable, Boston University, Boston, MA
3. **Fulford, D.** (2019, February). Smartphone sensing of social isolation and loneliness. Boston University Data Science Day (BUDS Day), Boston, MA
4. **Fulford, D.** (2018, October). Motivation, mobile technology, and meaningful outcomes for people with schizophrenia. Boston University Psychological & Brain Sciences Clinical Colloquium, Boston, MA
5. **Fulford, D.** (2018, September). Smartphone-based passive and active characterization of social isolation and loneliness: Application in people with and without schizophrenia. Onnela Lab, Harvard T.H. Chan School of Public Health, Boston, MA
6. **Fulford, D.** (2018, February). Motivation, mobile technology, and meaningful outcomes for people with schizophrenia. Markou Research Seminar Series, Department of Psychiatry, University of California, San Diego, La Jolla, CA
7. **Fulford, D.** (2018, February). Apathy, physical capacity, and real-world physical activity in Parkinson disease. Community Health/Occupational Therapy Health Research Series, Tufts University, Medford, MA
8. **Fulford, D.** (2017, November). Motivation, mobile technology, and meaningful outcomes in schizophrenia. Psychiatric Neuroimaging Research Program, Massachusetts General Hospital, Charlestown, MA

9. **Fulford, D.** (2017, June). Motivation and mental health: From the lab to daily life. OT Research Summit, Boston, MA
10. **Fulford, D.** (2017, April). Ecological Momentary Assessment and Intervention (EMA/EMI) in Serious Mental Illness: Active and passive data analysis. Mobile and Electronic Health Affiliation Research Collaborative (ME-ARC), Boston, MA

Oral Papers and Symposia

11. **Fulford, D.**, Zhang, Y., Gonzalez, R., & Gard, D. E. (2019). Mobility as motivational output? Smartphone-based geo-location and motivation in people with and without schizophrenia, in *Exercise your mind and body: Boosting physical activity and cognition in severe mental illness* (Symposium), Association for Behavioral and Cognitive Therapies, Atlanta, GA
12. **Fulford, D.** (2019). Symposium Discussant. *Empirical support for interdisciplinary interventions in schizophrenia-spectrum disorders*. Schizophrenia International Research Society, Orlando, FL
13. **Fulford, D.**, Gonzalez, R., *Abplanalp, S., & Gard, D. E. (2018). Mobile phone-based sensing of social interactions in people with and without schizophrenia: Implications for social isolation and loneliness. Society for Research in Psychopathology, Indianapolis, IN
14. **Fulford, D.** (2018). The use of mobile phone-based behavioral sensing to identify social isolation in people with schizophrenia and healthy controls. Association for Psychological Science, San Francisco, CA
15. Borrelli, B., Bartlett, K.Y., Frasco, G., Wearden, A., Jansen, F., Armitage, C., Lapets, A., **Fulford, D.**, Gill, B., & Gall, A (2018). Reaching smokers who are not motivated to quit: A mobile app to enhance well-being and encourage cessation. Annual Meeting of the Society of Behavioral Medicine, New Orleans, LA
16. **Fulford, D.**, Piskulic, D., Addington, J., Kane, J. M., Schooler, N. R., & Mueser, K. T. (2017). Prospective relationships between motivation and functioning in the recovery after an initial episode of schizophrenia. Faces of the Future Symposium, Society for Research in Psychopathology, Denver, CO
17. **Fulford, D.** (2017). Chair. *The promise of continuous, unobtrusive sensing technologies as assessment and intervention tools in mental illness*. Association for Psychological Science, Boston, MA
18. **Fulford, D.**, Gonzalez, R., *Abplanalp, S., Zhang, Y., Singh, A., & Gard, D. (2017). Leveraging smartphone sensing data to identify social isolation in schizophrenia. Association for Psychological Science, Boston, MA
19. **Fulford, D.**, Treadway, M., Akazawa, J., Vinogradov, S., & Woolley, J. (2014). Oxytocin and effort expenditure for social reward in schizophrenia. Society for Research in Psychopathology, Chicago, IL
20. **Fulford, D.**, McClellan, S., & Tai-Seale, M. (2014). Internalizing and externalizing disorders and their relationships with BMI and blood pressure in adolescence: Utilizing Electronic Health Record (EHR) data to examine associations over time. AcademyHealth, San Diego, CA

21. Johnson, S. L., **Fulford, D.**, & Bartholomew, M. (2013). Dominance behavior and mania risk. Society for Research in Psychopathology, Oakland, CA
22. Loewy, R. L., **Fulford, D.**, Pearson, R., Schlosser, D. A., Stuart, B. K., Mathalon, D. H., & Vinogradov, S. (2013). Impact of the psychosocial environment on risk for psychosis: Trauma and stress reactivity. International Congress on Schizophrenia Research, Prodromal Satellite Meeting, Orlando, FL
23. **Fulford, D.**, Niendam, T. A., Floyd, E., Miscovich, T., Carter, C. S., Mathalon, D. H., Vinogradov, & Loewy, R. L. (2012). Symptom dimensions and functional impairment in early psychosis: More to the story than just negative symptoms. International Early Psychosis Association, San Francisco, CA
24. **Fulford, D.**, Johnson, S. L., Llabre, M., & Carver, C. S. (2009). Effort allocation in dynamic goal pursuit among persons with and without bipolar disorder. Association for Behavioral and Cognitive Therapies, New York, NY
25. Carver, C. S., **Fulford, D.**, & Johnson, S. L. (2009). Do people coast when they're happy about their task efforts? Society for Personality and Social Psychology, Tampa, FL
26. Johnson, S. L., **Fulford, D.**, & Eisner, L. (2008). Goal regulation across psychiatric disorders. Association for Behavioral and Cognitive Therapies, Orlando, FL

OTHER PROFESSIONAL PRESENTATIONS

1. **Fulford, D.**, Meyer-Kalos, P., & Mueser, K. T. (2019, April). An active ingredient for motivation enhancement? The importance of addressing personally meaningful goals in comprehensive care for first-episode psychosis. Schizophrenia International Research Society, Orlando, FL
2. *Weizenbaum, E., Torous, J., & **Fulford, D.** (2019, May). Cognitive variability in the wild: Internal and contextual correlates of cognitive performance as assessed by smartphone. Association for Psychological Science, Washington, DC (won best poster award from Society for a Science of Clinical Psychology)
3. *Abplanalp, S. J., *Gold, A., Gard, D. E., & **Fulford, D.** (2019, March). Examining speech in the daily lives of people with and without schizophrenia: Differences in word use and associations with symptoms and functioning. Society for Affective Science, Boston, MA

TEACHING & MENTORING

Postdoctoral Advisees:

Jasmine Mote, PhD, Postdoctoral Associate, Sargent College, Boston University

Primary Graduate Advisees:

Jessica Mow, BS, Psychological & Brain Sciences, PhD program in Clinical Psychology, Boston University

Samuel Abplanalp, BA, Sargent College, PhD Program in Rehabilitation Sciences, Boston University

Other Graduate Advisees:

Cristina Colon-Semenza, PT, Sargent College, PhD Program in Rehabilitation Sciences, Boston University

Emma Weizenbaum, BA, Psychological & Brain Sciences, PhD program in Clinical Psychology, Boston University

Mariah Warren, BA, Masters in Mental Health Counseling and Behavioral Medicine, School of Medicine, Boston University

Anne Uhlman, BA, Masters in Mental Health Counseling and Behavioral Medicine, School of Medicine, Boston University

Rachel Friedman, BA, Masters in Mental Health Counseling and Behavioral Medicine, School of Medicine, Boston University

Meghan Watson, BA, Masters in Mental Health Counseling and Behavioral Medicine, School of Medicine, Boston University

Christine Marsico, BA, Masters in Mental Health Counseling and Behavioral Medicine, School of Medicine, Boston University

Undergraduate Advisees:

Amy Chao, Neuroscience, Boston University

Cindy Do, Human Physiology, Boston University

Allison Nash, Behavior & Health, Boston University

Jean-Marie Toher, Neuroscience, Boston University

Claire Ufongene, Psychological & Brain Sciences, Boston University

Sravya Vajram, Psychological & Brain Sciences, Boston University

Isabel Wolkoff, Psychological & Brain Sciences, Boston University

Jourdan Parent, Neuroscience, Boston University

Samarth Doshi, Neurobiology, Boston University

Anup Dupaguntla, Neuroscience, Boston University

Alisa Gold, Health Science, Boston University

Staff Advisees:

Katie Gill, BA, Research Coordinator

Kara Dillaway, BA, Lab Manager

Coleman Garner, BS, Lab Manager

Dissertation/Comprehensive Examination Committees:

Samuel Abplanalp, PhD Program in Rehabilitation Sciences, Boston University

Joshua Curtiss, PhD Program in Clinical Psychology, Boston University

Cristina Colon-Semenza, PhD Program in Rehabilitation Sciences, Boston University

Chitra Khare, PhD Program in Rehabilitation Sciences, Boston University

Emma Weizenbaum, PhD Program in Clinical Psychology, Boston University

Danny Shin, PhD Program in Rehabilitation Sciences, Boston University

Mentored Grants/Awards

- 2019 *Measuring treatment-induced changes in a functional neural marker for paranoia in people with serious mental illness,*
Dudley Allen Sargent Research Fund, Faculty/Post-Doc Award
Awarded to Jasmine Mote, PhD, Postdoctoral Associate, Sargent College,
Boston University
Total Amount: \$6,960
- 2019 *Cognitive variability in the wild: Internal and contextual correlates of cognitive performance as assessed by smartphone*
Best Poster at the Association for Psychological Science meeting (APS),
Society for a Science of Clinical Psychology (SSCP)
Awarded to Emma Weizenbaum, MS, PhD student in Clinical Psychology,
Psychological & Brain Sciences, Boston University
Award amount: \$100
- 2019 *Predicting patterns in real-time cognitive performance in Parkinson's disease*
Clara Mayo Memorial Fellowship
Awarded to Emma Weizenbaum, MS, PhD student in Clinical Psychology,
Psychological & Brain Sciences, Boston University
Total Amount: \$10,886
- 2018 *The role of experiential negative symptoms in decreased sensitivity to acute pain in schizophrenia*
Dudley Allen Sargent Research Fund, Graduate Student Award
Awarded to Samuel Abplanalp, PhD student in Rehabilitation Sciences,
Sargent College, Boston University
Total Amount: \$5,000
- 2017 *Decision-making for exercise in people with Parkinson disease*
Dudley Allen Sargent Research Fund, Graduate Student Award
Awarded to Cristina Colon-Seménza, PhD student in Rehabilitation Sciences,
Sargent College, Boston University
Total Amount: \$5,000

Courses Taught

(Overall Instructor Rating = 4.4/5.0)

- 2019 (Spring) RS 750: *Research Design*
PhD Program in Rehabilitation Sciences, Boston University
- 2018 (Fall) OT 621: *Evidence-Based Practice III*
Department of Occupational Therapy, Boston University
- 2017 (Fall) OT 621: *Evidence-Based Practice III*
Department of Occupational Therapy, Boston University

- 2017 (Spring) PS 902: *Directed Study in Psychology*
PhD in Clinical Psychology, Boston University
- 2017 (Spring) RS 750: *Research Design*
PhD Program in Rehabilitation Sciences, Boston University
- 2016-2017 RS 910: *PhD Directed Reading*
PhD Program in Rehabilitation Sciences, Boston University
- 2015-2017 OT 570: *Motivation & Psychopathology Research*
Department of Occupational Therapy, Boston University
- 2016 (Spring) RS 870: *Motivation Science and Applications for Health and Rehabilitation*
PhD Program in Rehabilitation Sciences, Boston University
- 2015 (Fall) RS 890: *Doctoral Seminar in Rehabilitation Sciences*
PhD Program in Rehabilitation Sciences, Boston University
- 2015 (Fall) OT 563: *Context & Occupational Performance*
Department of Occupational Therapy, Boston University
- 2015 (Spring) CLIN 882: *Evidence-Based Treatment for Serious Mental Illness*
PhD Program in Clinical Psychology, Palo Alto University
- 2009 (Spring) PSY 352: *Abnormal Psychology*
Department of Psychology, University of Miami
- Guest Lectures*
- 2015-2016 OT 562: *Learning & Behavior*, Department of Occupational Therapy, Boston University
- 2015 HP412: *Abnormal Behavior in Rehabilitation*, Behavior and Health Program, Boston University
- 2013-2014 CLIN 882: *Evidence-Based Treatment for Serious Mental Illness*, PhD Program in Clinical Psychology, Palo Alto University
- Teaching Assistantships*
- 2005-2010 Statistics for the Behavioral Sciences, Drugs and Behavior, Introduction to Psychology, Social Psychology, Sex and Behavior, Abnormal Psychology (Undergraduate); Multivariate Regression (Graduate)
Department of Psychology, University of Miami

CLINICAL & CONSULTING POSITIONS

- 2018- *Pear Therapeutics*
Boston, MA – Subject Matter Expert

2012-2015 *Bipolar Disorder Early Assessment and Management (BEAM) Program*
San Francisco, CA – Clinical Consultant

2011-2013 *UCSF Langlely Porter Psychiatric Institute*
San Francisco, CA – Assessor/Supervisor

2010-2011 *Department of Veterans Affairs Psychology Service*
San Diego, CA – Individual/Group Therapist/Assessor

2010-2011 *UCSD Outpatient Psychiatric Services*
San Diego, CA – Individual/Group Therapist/Assessor

2008-2009 *Department of Veterans Affairs Behavioral Health Clinic (BHC)*
Miami, FL – Therapist/Group Facilitator/Assessor

2006-2009 *Psychological Services Center (PSC)*
Miami, FL – Therapist and Psychodiagnostic Assessor

LICENSURE

2013-2017 Clinical Psychologist, State of California, 25980
